

11+ Mock Test Timetable 2022

Mock Test Experiences

Just like the real Buckinghamshire 11+ tests, our mocks comprise two papers, each lasting about 45 minutes, with a break in between. Within each paper there are a number of timed sections, with the format and question types closely emulating the real 11+ exams. Instructions are delivered via audio recordings for an authentic 11+ exam experience. There are five sets of papers and students may sit any number, although most families opt for all five to enable their children to experience the full range of question types and maximise their chances of exam success.

Special offer: book all five mock tests and get £50 off!

Feedback sessions: *Live, two-hour feedback sessions included with all mock tests. Taking place between 10am-12pm in our online classroom.*

FREE learning zone access: *Each mock test booking is complemented by a suite of 100 additional questions in our online learning zone for extra practice.*
